

planet-friendly fashion

While browsing the eco-savvy wedding website portovert.com, we came across a list of 'Responsible Resources' that green-minded couples can use when organising a wedding with a low carbon imprint. Sui Generis by Beyond Skin (right) is ethical, leather-free footwear that is handmade to order for brides. Natalie Portman and Pink are part of their celebrity following, and the line is available to Australian brides who want glamour and style that won't cost the earth (literally!)
